RANDOM THOUGHTS 5

Sorry for the slight delay for this release. I was so occupied reading *Rahou Sennen Hyouma* manga in the last few days. Had that manga in my iPad for a while, but never got a chance to actually read. Last time I read was already five years ago, volume 12, and now I already have volume 31. So yes, it was quite a fun reading. Hiy, I deserve to read my manga as well, right? After all I'm just an ordinary manga lover, just like most of you.

Since I have no better idea, I decided to fill this Random Thoughts page with short Q&A.

Q: Why some of my translations are not correct?

A: I can't help it! I'm not a Japanese language expert. And I choose to go by context rather than word to word translation. As long as you get the story I consider that good enough. But if you do want to help me with translation or simply giving corrections on certain pages, feel free to contact me.

Q: Is Sagen's 300 years in Yami a dream?

A: No, it's not a dream. Sorry I can't explain more without revealing spoiler. I guess you just need to read the manga and find out yourself. "..."

Q: Will I see/obtain another manga title?

A: For now, the answer is NO. I do this translation for fun, and for sharing this great manga. I will probably stop doing this translation if I no longer find fun in doing it. The greatest fun comes when reading your comments in the Official Project Page. That really gives me the strength to continue.

Q: Where can people discuss about the manga with other readers?

A: Well, *Mangafox* forum is a good place to start, because I always check that forum at least once a day. My forum id is *bolosenn*.

Q: What is my favorite manga?

A: A lot, actually. *Ono Ima Kuru* is one of them. Currently I'm reading *Rahou Sennen Hyouma*, *Kemo no Iru Machi*, *Angel Beats*, *Solo*, and few others. I like magical and imaginative stories. That's why I like most of Kyoko Hikawa's manga and *Akashu*. *Michiyuki*'s manga. For romance, I like *Koyu*. *Sora*'s style (the manga of *Sorashia* and *Kemo no Iru Machi*).

Last but not least, I need help! Having a cleaner would definitely help me to produce faster releases. Basically what a cleaner do is removing the Japanese text from the original raw images so that I can type in the English translation. You can read the requirements from Random Thoughts 3 page in chapter 3d.

How to apply? Simply contact me, through Yahoo Messenger (id: *bolosenn*). Any contact through email or website/blog comments will be ignored.

RANDOM THOUGHTS 6

I regret to tell you that the next release will be delayed.
I have some real life issues that I need to deal with. Until everything's done, I won't have time doing animation. For how long? I don't really know. It could be a week, it could be a month or more. So please wait patiently. Real life must come as the first priority anyway.

Thank you for your support!

place. I don't do this often, but probably I got the urge to share my own writing. Maybe the hobby translated and my writing is not that good, but if you like, I can. I would appreciate your comments.

SHINING LIKE THE FIREFLIES

It's just midnight already when I lay on the balcony. What a hot night! And springs will also open up. I wonder what kind of weather we will have in the summer. I cannot wait at all. I feel like half-naked man in open fields again.

I hope the small birds are cheerful as I have not finished my bedtime song.

"Oh, god, what are you doing there? You are not sleeping yet?" a small voice asks.

I only just looked the puzzled eyes now are already "Ah, My goodness. I just can't stop thinking about tomorrow."

"It's still all day, but you like you would not be too nervous again. She is just going away for a night."

"I know, but... I always thought my dream was the thought of her leaving."

"Then there's nothing to be worried about, right?"

I look down and open the door of the deck with my finger. "Tomorrow we had a celebration, right? She doesn't believe in long distance relationships. She loves that me that thinks that that should be okay if I changed my mind and find a better girl while she's away, as long as I tell her. And she knows that? It's like those words that make me and me feel bad."

Mya looks but looks away again slightly. "Will she be angry at you? What are those words even saying to you?"

"Of course not! But I don't want to say that. It means she she doesn't trust me. If she doesn't believe in long distance relationships, then why doubt the part with me leaving?"

"So you don't have a fight yesterday?"

"Not at all," I said. "I know it's stupid to have a fight two days before her departure, but I can't just stay quiet after she says something like that."

"Then are you still going to attend party? I don't want to see her sleep in our room."

"I will. But I don't know how to face her."

RANDOM THOUGHTS 7

Five weeks ago I found a set of cheap anime figures on e-bay. It was a set of Saber, Tokusaku, Archer, Rider and Lys (surely you know what anime is that). I can't help myself! Thinking that I should have watched the anime, but how come I don't have a single memory about the story, the characters, and other things I usually remember from an anime.

Then I searched my anime collection. Found Fate Stay Night in my 2006 collection. So I have downloaded it, but somehow forgot to watch it! After trying to watch an episode, I decided to download a better quality of it. And so I started the download for 720p version of Fate Stay Night. Took me three days to complete the whole season.

I can't believe I actually missed this fantastic anime! Love Saber, but somehow I find Tokusaku more interesting. Still don't understand how King Arthur (male) can be on a date with Saber (female) as if no concernation? But in the final scene, when Saber returned to her old life, her subordinates refers her as long, right? How is that even possible? He he he. I guess some is not something we should try to understand.

When we usually like an anime before buying the figurines, I guess I do this the other way around. Now I have a set of Fate Stay Night figures to accompany my other figures: Haruka, Tsuyosaku, Raimu and Akane, and a beautiful Flying Reddwarf.

On the other hand, K-On is almost ended. Ended a little watching the classroom scene after their last concert in episode 20. It feels strange to have an ending-like scene in an episode that is not even an ending episode, isn't it? I agree with many other reviews in many blogs: K-On is not a story about female band. It's a beautiful story about friendship.

The real ending in episode 24 is not bad. Though I would expect something more after what I have seen in episode 20. So what will happen to Azusa? Will she join them as well the following year? More importantly, will they make music? :)

The good news, now that I have taken care my real life issues that I mentioned in previous releases, hopefully future releases will return to normal again. Harumi? Well, with a bonus!

Last week pinkieprince484 from Tinto translation group contacted me. Showing the idea of working together as Kimbora Room on a joint project. After few discussions, we have reached a mutual agreement that starting from chapter 34, we will work together. Tinto group will do the cleaning, I will continue doing the translation. hopefully faster :)

Thank you for all your support!

RANDOM THOUGHTS 8

And here is another release of Kana-iro Kana (finally). This is the first release on a past project with Tint's group. As many of you might question: why took so long for a release when this project is already made a past? So make things clear: Tint did their part of the deal very well. They provided me with good cleared row on time. And today I already received cleared row up to volume 3!

The delay comes from me. Did a huge project at work, and it demanded most of my time for the last 3 weeks or more. I myself got pretty sick last week, for pushing myself too much. I see translation as a fun activity and a hobby. So when something bigger comes up, surely that would take higher priority.

I care good money from this work project. And the project still has not finished. Stage 2 of the project will start immediately next week. This release was made during my very limited free time this week and I honestly can not promise you that I would be able to do the same next week. So, next release can be anytime, no promise at all. Sorry. But that's how life goes. I guess.

Special thanks for PandaTactica985 and Poone from Tint's group for doing the clearing in this release. A great work that saves a lot of my time, without your help, this release would take even longer time to finish.

For now I'm considering to make smaller releases starting from volume 3. So far one release would have between 25 to 35 pages. That numbers actually means nothing as one chapter is simply too long for this title, and I decided myself on how to divide them into smaller sub-chapters. Maybe by reducing the number of pages every release, there will be shorter waiting time for you. Let me know what you think, by dropping a comment on my blog or the official project page.

For now, Tint's group still has no Japanese translator who can help me with this project. If anyone can do Japanese to English translation, please do contact us. Or if anyone want to take over this project, I would have no objection as well. I'm happy if someone can produce a weekly release for this, rather than my special "..."

Thank you for all your support and thank you for reading this

The girl that I finally can finally realize... because of XXX things. It's been a year since my last release. For knowledge with real life. As I promised, I WILL do XXX something and that's not wrong. I just can't promise my time here. The next release can be tomorrow can be next month can be next year. After leaving, that life seems more hard. Sometimes it is funnily and I will do it whenever I find like it. "Thanks for your patience." ...

Sumi

This is an extra chapter of Kara-kara Kaoru vol 2.
Chapter 4 is not ended yet, the main story will continue in vol 3.

Starting from this release, this manga is published using a different scanner name: Belamizer.

Both Ryuu and Belamizer are my nicknames. So, still the same person I just decided to use "Belamizer" for all my online activities related to anime and manga.

Soon I will also release a repack of both vol 1 and vol 2.
It contains a lot of improvements, including some translation fixes, better cleaning and some color leveling.
You can download them at www.belamizer.com/anime/karakara-kaoru.htm

Sorry for the very long delay between releases.
I hope you enjoy this great manga!

AMELI

STAYING

TO RUN
AWAY
FROM

TODAY
I
DECIDED

I WANT
TO LIVE
WITH
AMELI

FROM
TODAY ON
WE WILL
PLAY
TOGETHER

IT'S
OK.

I KNOW
I CAN'T
I WANT
TO GO
TO
ARIEL'S
PLACE.

BUT CLIMBING
FROM THIS
WALL IS
MY ONLY
WAY TO
GET OUT.

!

I'LL
SURELY
FALL IT

AAAH

OUCH!!

VERY
HIGH

!

IT
HURTS!

HOT GOD!!
I CAN'T LET
THEM SEND ME!
I HAVE TO
BLAH!

TO
MYSELF
PLACE.

AMEE...

WHY CAN'T
YOU PLAY
TOGETHER
NICELY?
THAT'S YOUR
COMING

BOOK-ENDED

WHAT DID
YOU DO?
SARA! MYAA!

THE
JING
ESCAPED!

MEMORINA
SARA

I DIDN'T
DO ANY
MISTAKE!

THIS TIME
MEMORINA SARA
IS AT FAULT.
COME, WE'LL
APOLOGIZE
TOGETHER.

I ALSO
WANT
TO HAVE A
BROTHER!

OH?

SHOW
OFF
FROM
HAYATO-A
GIRLING!

THAT'S
MEAN!

I HATE YOU
MYRA SAMA
DOES NOT
KNOW

MYRA SAMA
ALSO HAD
AN OLDER
BROTHER

HE'S TWO
YEAR OLDER
THAN MYRA
SAMA.
HE LIVES
WITH
SAGATEEN

YES ?

WHERE
IS MY
ANGEL ?

REALLY?
YOU SAY?
YOU DON'T
LIE
SHOUPACHON ?

FOR
YOU

YOU
SAYED
MYRA WAS
DEAD?

SAMA

THE ONE WHO
USED TO REFER
AS "SAMA"
SAGATEEN ?

SAGATEEN
SAGATEEN
IS ...

ANGEL WILL
START
LIVING
WITH THAT
EVIL
PERSON

MYRA
SAMA

WHY ISN'T
SAGATEEN IS
SPOKE PERSON
WHO ALWAYS
BLAMES MY
UNCLE'S PLANS?

IN WORK,
THEY OFTEN
HAVE
DIFFERENT
OPINIONS

SACHIKU IS
A GREAT PERSON
JUST LIKE
UNCLE

BUT ...
WHY

ARE YOU
LIVING IN
DIFFERENT
HOUSES ?

BASED ON
TRADITIONAL
JAPANESE
CHILDREN
WANT TO
LIVE IN
OLIVE OIL'S
HOUSE,
DON'T ?

WOLFGANG
WANTS TO
BE
OLIVE OIL

OLIVE OIL
HOUSE
HE'S MY
UNCLE

WHY CANA
WANT TO
LIVE
HERE ?

WHY

WHY CANA
LIVES HERE, WHY?
YOUR FATHER AND
MOTHER LIVE IN
TOKYO, DON'T ?

ANDER'S
MOTHER IS
DIFFERENT
FROM MY
MOTHER ?

SO ...

CORRECT
BECAUSE
HIS
MOTHER IS
FROM
JAPANESE
CAREER.

SO
GABRIEL IS
ANDER'S
COUNSELOR

YOU WILL
UNDERSTAND
THIS WHEN
YOU GROW UP

WITH GABRIEL
IN THIS HAS TWO
WIVES, FOUR
MOTHER AND
YOUR MOTHER IS
MOTHER.

WILLIAM IS
MY FATHER
ANDER IS
MY MOTHER'S FATHER

ANDER

WILLIAM

I HAVE
MORE, BUT
I CAN'T
MEET HER,
THIS IS
SADNESS

IT'S
BETTER
TO THE
TRANSITION
DON'T
WAST

ANGEL...

NO NO NO
WE
CAN'T
JUST
SUDDENLY
COME.

SO THAT
SHE,
SARAH'S FISH
WILL NOT
PERMIT
US TO
COME.

I
UNDERSTAND
WHY
SARAH
FEELS
BUT IT'S
NOT
POSSIBLE.

I WANT
TO VISIT
ANGEL'S
PLACE
TOMORROW.

THAT'S
ALL
THANKS.

TO
ANGEL

REMEMBER
WHAT IS
ANGEL'S
ADDRESS?

MYA-SAMA CAN VISIT THERE
BUT BEFORE GOING
WRITE A LETTER TO YOUR
MOTHER AFTER REPLYING.
TIGHTEN UP YOURSELF.

WHERE
DO YOU
WANT
TO GO ?

I WAS
SURPRISED
A KID FELL
IN THE MIDDLE
OF THE HOUSE.
WHERE'S YOUR
MOTHER-LET ME
TAKE YOU
HOME

IF ONLY
MY ANGLE
WOULD SMILE
LIKE THAT
FOR ME...

I JUST
WANT TO
MEET
ANNE.

I WANT
TO GO TO
ANNE'S
HOUSE.

I WANT
TO GO
HOME.

WE'RE
BEING
HONEST.

PUPP

I HAVE
WRITTEN

I WAITED
FOR YOU
SOMEONE

RECEIVED
ANNE'S

IT'S NOT
GOOD TO
GO TO

THAT'S
THE
TRUTH

WHILE
PLEASE
TALKING
TO ANOTHER
PLACE

WITHOUT
SLEEPING
WE CAN'T
JUST GO

FROM
THAT
ACTION!!

YOU

DOWN!

WAIT A
MINUTE...

AREAS

FROM THAT
HILL, P

THAT'S
THE
ONLY
WAY
OUT

BECAUSE
THE ALAMO
WOULDN'T
LET ME
IN

BECAUSE
MY ANIME
REFUSED
TO SEE
ME.

I
HAVE
TO!

IF I
WANT
TO PLAY
WITH
ARIE!

THEN I
MUST GO
TO HIS
PLACE
RIGHT?

I

MY ROOM.

I ALREADY
TOLD YOU
YOU MUST
PREVENT
THE FUGITIVE
GAMA FROM
RETURNING
FROM HONK.

UNCLE!

SOON!

I NEVER
REPLIED
HIS
LETTERS

THINK I
MUST GO
TO ANNE'S
PLACE
RIGHT?

I HATE
TO PLAY
WITH
ANNE

I
CAN'T

HE
SHALL
WAIT
TO MEET
ME

THAT'S
AMAZING!
I
WON'T

THAT'S
THE
PLAN
TO
UNRAVE
THE
NO

I WILL
FALL
FROM

IF UGALDEN
SHOWS ME THE WEA-
SONS OF ASSASSIN-

HE WILL
ASSURE THAT

FINALLY RECAPTURE
HOWARD IT WILL
BE DIFFICULT
FOR US TO DEFEND

WITHOUT A
GUARDIAN YOU WILL
RECEIVE A
INTERMEDIATE
PERIOD LOWER THAN
LOW-LEVEL

AND
YOU

AND
I EXPECT
YOU
MUCH
FROM
YOU

DO I
DO YOU
EXPECT
ME TO
CHASE
AWAY
AN OPEN
YOUR
BROTHER

HOW
COULD
I DO
THAT?

YOU AND
NE NO MIYA
